2020 Rules and Guidelines

Please read the following carefully. Your signature on the Vendor Application signifies your understanding of these rules and your agreement to comply with these rules:

1. All products sold at the Market must be made, produced, grown, or value-added by the vendor, vendor's family or employer.
2. Please list all types of items you intend to sell on the application. No items may be added without permission of the Market Manager.
3. All vendors should have a sign stating their name, farm, or business.
4. Please arrive in time to set up for the Market opening and stay for the duration of the Market unless you sell out.
5. Vendors may unload and pack up beside the Common; please do not park on the grass.
6. Please move vehicles off the Common before the Market begins. Parking is available across the street.
7. The Market Manager assigns spaces in the best interest of the Market. If feasible, full season vendors will be allocated a permanent spot.
8. The Market is a non-smoking venue.
9. For the benefit of both customers and fellow vendors, please do not bring pets to the Market. Other animals for sale or educational purposes allowed with prior approval from Market Manager.
10. The Market operates rain or shine unless conditions are unsafe. Please come prepared. There are no refunds.
11. Each vendor is expected to follow NH State Regulations pertaining to items they sell at the market and is responsible for any licensing or certification required for products sold in New Hampshire.
12. Although a tent is not mandatory, it is encouraged for your comfort during hot or inclement weather.
13. Please be aware that the public views your booth's appearance as a reflection of your products and the Market as a whole. Please keep your area clean and tidy.
14. Please clearly display prices for all products.
15. All persons associated with the Market will be respectful and courteous of patrons, property, and other vendors.
16. Please notify the Market Manager as soon as you know you will not be able to attend a market so vendor spaces and advertising can be adjusted as needed. (Preferably no later than Thursday)
17. The Market collects anonymous weekly gross sales data from vendors. This is essential to the financial management of the Market. It is also a tool for planning and is required for some grant requests.
18. Vendors that do not comply with the Market Rules may be removed from the Market with no refunds. The Market Manager, or designee, works with the vendors to provide a successful Market. Please bring any questions or concerns to the attention of the Market Manager. All decisions made by the Market Manager are final.
