

## **Conservation Commission**

### Minutes

December 3, 2007

Attendees: Len Reitsma (chair), Kate Brooks, Elizabeth Chabot, Bill Chabot, Aaron Allen, Dave Shinlinger

### **Public Hearing**

Public Hearing Held for the purpose of Discussing and voting on the Commission allocating \$1,000 toward the Canaan Street Lake Study

Len Reitsma moved to vote on the Public Hearing Notice for the \$1000 funding to support the Grant of the Canaan Street Lake Study. This is contingent upon the DES supplying a matching amount.

Bill Chabot seconded, all approved.

### **Other Business**

- Len to contact the NH Lakes Association to tell them that the newsletter should be mailed to Bill Chabot
- The Valley News may run an article about the Nature Hut. The paper has already contacted Len and Dave.
- There is some discussion about a part of the “Bird-in-hand” property that may be in violation of the deed.
  - It appears that ownership changed hands
  - The conservation posting does not appear to have happened, despite the owners being paid to do so
- Aaron to follow up on the information he has. It is the responsibility of the CCC to monitor the easement.
- Last month Len said he would step down as Chair at the end of this year, but would remain an active member of the CCC. We decided we would take a few weeks to discuss amongst ourselves who would step up. It was determined that there would be a joint chair-ship to be held by Aaron Allen and Bill Chabot. This being the case, Aaron will step up his status to “full member” and Len will step down to an alternate status.
  - We decided to review the status of all members at the January meeting and will resubmit the list to the Select board for confirmation.

Aaron moved to Adjourn  
Dave seconded the motion

**Next meeting: January 7, 2008**
