The state has approved the boundary line approval between the Map 1-F land owned by the New Hampshire DES Bureau of Water Resources and the Kathryn Foster and Joshua M. Riff land on Goose Pond Road at the dam. There being no reason to hold the application any longer, Carol Ann Morrison moved that we authorize John Bergeron to sign the plat and Kathi Meyerson provided the second to the motion. The motion passed.

Other Business

The board reviewed the Capital Improvement Program for 2016-2021. David McAlister moved that the planning board approve the CIP for delivery to the select board. Barbara Dolyak seconded the motion and the board approved it.

The board discussed the Excavation Permit applications that the board requested by the Nov. 12 meeting. Currently none of the pit operators have submitted the required applications. John Bergeron offered to visit the pit operators and review with them what we need. He will send the board a message when a time has been set. If the application is not finished then, as next options the board could request a cease and desist order or a citation.
